

To my future employer,

My name is Ma. Janeshiel R. Mayo, I am a Filipina citizen working in Macau since February 2008. I am single and I am really willing to go and work in Canada.

I have a great experience in children and elderly care. I really like to take care of children and I treat them as my family. The age of children I took care before are 7 and 5 years old. I am very attached to both of them. I was sad to leave them but I am confident in the future and I am sure that I will find also a lovely family in yours. I would like to take this opportunity to discover Canada and to realize my dreams.

I love to play with kids or just watch them while playing. Reading books to them or telling stories of fairy tales. I assisted them to do their school homework, meals, bath, dressing and grooming.

My experienced taught me a lot and I am still willing to learn more. I know how to rule a house with love and understanding. This is my greatest dream to work in Canada for many reasons, first and foremost is my family I am the only breadwinner in my family, both of my parents passed away 9 years ago. I am only one who support my brother and sister' studying in Philippines.

By choosing me, I will assure you that I will look after your family and kids. You will be my second family and I already thanking you for that. I described myself as a workaholic because I love what I do and enjoy being with children. I am physically fit, friendly and easy to get along with. I am willing to learn new things, very flexible and willing to work overtime if needed.

I can provide you with any other information that you need. I just cannot wait to meeting you.

Much love and best regards to your family.

Janeshiel R. Mayo
