

To my Perspective Employer,

I am SHYNE A. CORBO, 25 years old and a mother of 9 years old girl. I am the youngest in my family and I have 5 siblings.

As of now I'm here in Macau working as Nanny of 2 kids aged 10 years old and 8 years old. I also do all the house chores even cleaning the car.

During school time I wake up early to prepare their breakfast and needs, and during lunch time I cook and bring their lunch to school.

My priority in this family is to attend all the needs of the kids especially if their parents are still at work.

I love cooking, singing, reading, sewing, gardening, take care of the pets (dog, cat, birds and fish) and I can swim a little bit.

I am still willing to learn more!

During 2005 to 2006 I was a working student. I was taking care of 2 kids aged 6 and 4 years old.

From 2006 to 2008, I worked in department of Mindanao Sanitarium & Hospital College as a working student. Since I had to work full time and study part time, I learned how to manage my time very well.

I hope by this letter you will know me a little bit.

Respectfully yours,

---

SHYNE A. CORBO
