

To my future employer,

My name is **LAILA REYES SALAZAR**, Filipino citizen presently working in Macau since June 2008. I am a loving mum of 3 kids and I am really willing to work in Canada.

I have a great experience in children care and I really like them and my proud is that they return it to me. I got a chance to work in a lovely family, the livings. Their kids name Amanda, 12 years old, Victoria 6 years old and Jose 4 month old. I am very attached to them, I am a little bit sad to leave them but I am confident in the future and I am sure that I will find also a lovely family in yours. And also, I would like to have an opportunity to discover Canada and to realize my dream.

I love to play with the kids or just watching them while playing. Singing songs, reading books or telling them stories for my imagination. I also help them in doing their homework.

My experience teaches me a lot already and I am still willing to learn more and can cope. I know how to rule a house with love, understanding and compassion. I will be the second mum of your child but I will never replace you. I will listen to you in order to be able to assume this big responsibility and to make you feel confident. I am honest person, trustworthy, hardworking and believing in god.

By choosing me, you will be sure that I will look after your family and kids as if they were my own. You will be my second family and I already thanking you for that.

I can provide you with any other information that you can need, just let me know. I just can't wait to meeting with you.

Much love and best regards to your family.

Thank you for reading me.

Yours sincerely,

LAILA REYES SALAZAR
