TO WHOM IT MAY CONCERN:

This is to certify that the bearer JONNALIZA BANGENG is one of my trusted friend here in taiwan. We have known each other since July 2007 because her employer is our neighbor where I worked with here in taiwan, and since then we became good friends.

Although we rarely see each other, still our friendship didn't stop there, if we have given the chance to be together we really spent it and having fun together. We have shared our experiences and our plans for the future. But we are confident enough that whatever it is we support and help each other.

She is a nice person, friendly and responsible. I can assure that she can manage whatsoever works or any assigned tasks given to her. She has a strong personality and she is highly recommended to any future employer.

Sincerely yours,

REGIENA T. ALBATERA
