

Reference Letter

I, Juliana Colobong certify that I have known Evangeline Bangloy. She worked for me at Children's Learning and Development Center from June 6, 2000 up to December 15, 2003.

Evangeline was the teacher for Grade I. While she worked for me I saw that she was a very devoted worker. She really enjoys teaching and playing with children. She is very able to manage children as sometimes she had 20 students or more in a class.

I really appreciate the job she did here and I wish her the best in the future and I hope that my letter will help her.

Sincerely,

Juliana Colobong
