*I'm **MAYLEN LU TAMAYO**, 30 years of age, Single, a graduate of Bachelor in Elementary Education and at the same time a Philippine Professional Teacher Board Examination Passer. I'm the eldest in the brood of three (3). Being the eldest I was the one who took the entire responsibilities of the family since my father has gone. My mother is a plain housewife. I work hard to give my family's need and support my siblings with their studies. I want to give them a bright future.*

My friends describe me as a kind, honest, polite, fast learner, caring, responsible and hardworking person. My hobbies were includes reading interesting books, listening to inspirational music, playing piano and badminton.

After I've finished my college, my first and second employments were both in a computer companies. But due to financial insufficient and wasn't able to meet of both ends I decided to work abroad as a Nanny.

I'm currently here in Taiwan and taking care of 2 years old girl and run household tasks such as general cleaning, cooking, marketing, laundry, ironing and car washing. My duties and responsibilities for the child are bathing, feeding formula milk, prepare nutritious meals and snacks, changing diaper, potty training, tutoring, playing indoor and outdoor activities such as drawing, reading, writing, coloring, biking, playing tennis, ball games and watching cartoons on TV or DVD.

I am fond of children that's why I took the Elementary Education but

unfortunately I'd never had a chance to practice my degree. I consider myself as a good nanny because I have the passion in my heart. A passion to take care of person regardless of age and especially those who couldn't take care by their own.

It is my honor to work in your family in the very near future. I promise to take good care of your love ones and hope you can give me a chance to work with you.
