**CERTIFICATION**

TO WHOM IT MAY CONCERN :

This is to certify that MS. TANIA B. BEQUILLA is one of our personal friends and has been our companion for the past five ( 5 ) years prior to her appointment as Midwife in the Country of Taiwan.

She is known to us to have a good moral character and of known probity and had not been involved in any illegal acts.

We further certify that as far as we know she has no record of any acts which would constitute disqualification to travel abroad.

This certification was issued to attest to the truth of the foregoing facts and for whatever legal purposes this may serve her best.

Done in the City of Manila, December 27,2007.

Very truly yours,

EDUARDO B. IGOX  
President and General Manager
