

Mrs. Sarswati Adhikari Dhakal

Passport Number 3159828: NEPAL

To Whom it May Concern:

Mrs. Sarswati Adhikari has worked for our family from February, 2008 through January 2009.

Mrs. Adhikari has proven to be a very responsible individual by caring for my children as well as my invalid mother. She is especially gifted while playing with the children and ensuring that they are fed, bathed, and dressed appropriately. Her technique in caring for my mother is very considerate and compassionate; in bathing, exercising, and moving her around with the use of wheelchair. She also keeps the house immaculately clean, ensures the laundry is always washed, and yet still finds time to help my children with their school work. While her native language is Nepalese, she can speak and comprehend English and Hebrew as well.

Any consideration for Mrs. Adhikari as a caregiver will be highly appreciated and well deserved.

Sincerely,

.....
