

Dear Sir and Madam,

A pleasant day to all of you!

*I'm **JUDITH AMINO PAULINO**, 38 years old, Married to Mr. Ryan Paulino and blessed with 3 children. I was born on 15th of April 1971 and the only girl in the brood of 10. We belong to a poor but happy family in the Philippines. Farming is the means of our livelihood. My mother was passed away in 5 years ago while my father died only last 2008.*

I'm just a simple person, friendly, honest, hardworking and easy to deal with. I enjoy the company of the children like playing with them, helps them to do their homework and story telling. I'm also fond of cooking, reading the Bible, magazines and any interesting materials during my free time.

In April 1989 up to October 1997, I worked in the house of my Aunt to finance my education. I took care of her four boys aged 4, 6, 7 and 9 years old. I cooked their meals, prepared foods and snacks, bathed them, tutoring, played indoor and outdoor activities during weekends and tacked them to bed at night. I also maintained the cleanliness inside and outside of home.

From November 1997 up to March 2008, I was employed at the Pines Apartment managed by a Korean national. I'm the one who in-charged in

cleanliness and orderliness of the entire apartment. I also helped in cooking, ironing and performed the laundry for the student's uniforms. Until the time of my contract has been expired and decided to try my luck to work abroad.

July 2008, I was lucky to employ to the family of Mr. Li Chuan Hong here in Taiwan. I'm taking care of their 3 children ages 4, 5 and 9 years old. I prepare their meals, school necessities, assist them in bathing, giving vitamins, tutoring and playing indoor and outdoor activities. I also run errands such as general cleaning, do the laundry, ironing, cooking and during my vacant time I help my employer to clean their furniture shop.

I came here to Taiwan first is to give a bright future for my kids and second is to help my other siblings in their financial needs. Dear employer, I hope and I pray that you will find me qualified to be your Nanny. If given a chance to work in your family I will do all my best to meet your expectations and always be a good employee. Thank you very much for reading my letter and hope to see you soon.

Respectfully Yours,

Judith Amino Paulino
