

To my future Employer,

Greetings!

I am a Filipina; my name is JILL PATALITA DE LA NOCHE, 30yrs of age, a young lady & a single one. I have 1 brother & 2 sisters, all of them got married & having kids so I've got 4 niece & 2 nephews. We live in one place & very close to each other. In other words, since I am the younger most of the time I'll be with the kids and taking care of them & enjoying for they were so lovely too. I'm helping them with their lessons & homework.

I have a dream in life; I wish I can reach some other places. And now I start my journey, here I am in Macau working with one nice & good family. They have one kid a little boy named Rodrigo, a 2yrs of age. I started taking care of him when he is only 6 months old up to the present. They never had any complaints against me; they treat me as one member of their family. I didn't have any regrets to work with them since they show me how good & real person they are. And with me they live happily with confidents & more open for everything good that it seems to be with. As my responsibility, I'm handling to taking care of the child & the household chores as well. Because of these, my boss is keeping on trusting & believing me that I'm proving them that I can cope up my duties & responsibilities. I love my work too, especially if I work with people whom u can find the sincerity, understanding & an approachable one.

So, I'm here trying to share my experiences to you I hope this can be a helpful one for me to introduce to you & your family of what I can do for my best if you allow me to work with your family. I assure you that I can help a lot as what you are hoping & looking for a household maid & sitter. I don't want to miss this opportunity if you will only give me a chance to work with you.

Canada is one of the places I wish I could reach of. For I know this place, it really help me to accomplish my dream in life. I hope & pray this will be granted.

It is my great pleasure & honor if you will be having a very nice response for these. I'll keep on waiting.

A pleasant and a very wonderful day to you & your entire family. More blessings & more power.

Thank You!

Respectfully Yours,

JILL PATALITA DE LA NOCHE
