The Employer,

Christian Greetings!

I am Elizabeth Dela Cruz, single and a bonafide resident of San Marcos, Cabarroguis, Quirino. I am presently working as Classroom Teacher at Eden Elementary School, Eden, Cabarroguis, Quirino. Here we become good friend with Elvie G. Bawa.

Elvie G. Bawa is a true friend. She is kind and generous to her friends and other people. She is sweet and loving. She is honest and sincere to her works and thoughts. She is very supportive to her family. She is jolly and happy. She is also dedicated to everything. In other word Elvie G. Bawa is a person with good moral character.

Elvie G. Bawa is also very good in cooking, decorating and gardening. She is also very good in household chores.

To her good and very appreciating behaviour and attitudes she possesses, Elvie and I built such relationship that it seems we are of one blood or we are of one family. In this connection, I am willing to come and stand before you, telling that Elvie G. Bawa is a person of good works and deeds.

Very truly yours,

ELIZABETH M. DELA CRUZ
