

## Reference Letter

I am Ms. Viena C. Narvaez, 27 years old from 3-16 Champaca St., Lourdes Subd., Mambungan, Antipolo City Philippines, I am also currently working here in Taiwan i am also a nursing student back in the Philippines like Eleonor Antoni i am confident that she is of good moral character,very hardworking woman and she loves kids so much taking care of them is not really a job for her because she really enjoys what she is doing right now.

So if you will give her a chance to be your caregiver/caretaker that will not only make her happy but me as well.

Thank you

  
Sincerely,  
Viena Narvaez
