To whom it may concern,

I am Joan Olarte Vegas, an English Teacher in Annie's English School here in Taiwan. I would like to recommend Richie Alimboyong to work for you as a caregiver. I have known her because I've seen her every day in our school. She is taking care of a 5 year old girl who is my student. I have seen how she takes good care of the child. She helped her especially in doing the homework. She sees to it that the child is safe. I know this girl will do her best to serve you. I recommend her for any endeavor she chooses to pursue.

Yours truly,

Joan O. Vegas
