

To my prospective employer,

Peace & Blessings!

It is a great privilege for me to apply for a nanny/ house helper in your family. I truly believe that my experience as nanny/ domestic helper with the SOU Family here in Macau & mother of three wonderful kids, my education attainment, cultural background and working experienced reflects the qualities of an ideal candidate as your nanny or helper for your kids & your family.

I thank you very much for taking time to review my resume and auto biography and I am grateful enough if you wish to talk with me regarding this exciting opportunity soon.

Sincerely yours,

Gina Jamorabon DE LEON

I am Gina Jamorabon DE LEON, born on October 31, 1969 at Makati city, Philippines. The eldest sibling of two by Mr. Roberto Sanchez Jamorabon & Mrs. Erlinda Pimentel Jamorabon, my only sister is Joanhanna Francis Jamorabon.

I got three wonderful kids namely, Gregory Jhae who is in his 2nd year college, Joebelle Jhaie, 2nd year high school student & Jasmin Jhai a grade six pupil. They are at the age of 16, 13 and 11 respectively. They are now living with my parents at Palawig, Sta. Ana Cagayan Philippines.

I spent my Elementary & High school education at ST. Anthony's College, Sta. Ana Cagayan. I earned my Bachelor Degree of Business Administration major in Banking & Finance in the year 1990 at Polytechnic University of the Philippines, Sta. Mesa, Manila.

I worked in the City of Manila at Unitrust Bank as new accounts assistant & as a break-in teller for a year and at the development bank of the Philippines, main office as an office clerk before going back to our province and rendered my 10 years services at the local government unit of the municipality of Sta. Ana province of Cagayan holding the position as budgeting aide and soon as budgeting assistant of the Municipal budget office the municipality.

I tender my resignation as an office employee and left my country Philippines for Macau in the year 2006. I landed a job with Mr. Tomas Pimenta owner of the Agencia Comercial VINO Veritas a Portuguese wine company and hold the position as **Fiel De Almazen** /warehouse Supervisor. But if the couple needed my help at their house I go and extend my help with them. But unfortunately the government of Macau takes back the quota and I have to leave to be not and illegal worker.

In August 2008, I signed a contract with Mr. Elvo Sou to be the nanny of their newly born son, Edison. I do all the house hold works of the family. I give my love & take good care of Edison as my own son which they cannot give if they are at work from 8:30A.M. to 8:30 P.M. from Monday to Saturday.

It is really a great new experience being a nanny and a domestic helper. But sadness occurs piercing your heart to be away from your loving family. But life must go on with the blessing of our dear Jesus.
