

To whom it may concern,

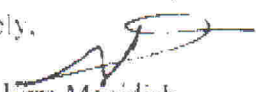

Mrs. Usha Kumari Gurung passport number 2463747 from Nepal worked for me from 22.12.05 until 30.9.09.

I am 65 years old suffering from Polio. Mrs. Usha Kumari helped me with daily tasks. She was very devoted and responsible and did every thing she was asked to do efficiency and quietly.

She took care of the house hold and did it on the best side.

I thank her for every thing she done for me and wish her all the best in her future. This is a very warm recommendation. She quit working for me for my personal reasons nothing to do with her.

Sincerely,
