WORK EXPERIENCE

Employer's Name : Hsiao Ai Home for the Aged

Address: Taiwan

Position: Nursing Aide

Period of Employment: March 13, 2008 to present

Detailed Duties and Responsibilities:

I am taking care of elderly male patients whose ages are from 60 to 90 years old. My duties include bathing, washing, dressing and undressing, grooming patients, feeding the elders orally or through NGT, assisting them in their toilet needs, monitoring their vital signs, transferring from bed to wheelchair and vice-versa. I also assist the patient in lifting and turning in bed. Other than these, I also perform light household chores like cleaning, washing and ironing clothes, making beds, changing linens and cooking simple meals.
