**Name: Mr. & Mrs. Chan**

**Address: Macau**

**Period of Experience: August 25, 2008 up to present**

**Position: Nanny**

**Duties and Responsibilities:**

I am taking care of 2 kids, ages 8 years old boy and 10 years old girl. They are just 6 and 8 when I started, I wake up early in the morning to prepare their breakfast and feed them. I prepare their uniform and their things for school. Their parents will bring them to school. I will start cleaning the house, sweep the floor, I used hand with towel to clean the floor because that's what my employer say. Dusting, do laundry, ironing and cook for their lunch and after that I will bring it to school. Then I will go back and eat my lunch, after that continue cleaning the house. 3 o'clock I will fetch them together with their grandmother, and I will ask them if they have homework, if have English homework, I will help them how to do. Later, I will cook for our dinner. Throw garbage at night, sometimes I will clean / wash their car. If the children don't need to go to school, we go to China and will clean the house of my employer and their grandmother. I can go anytime to china because my employer gets a multiple Chinese Visa for me.

**Name: Mr. & Mrs. Roseller Tagiobon**

**Address: Bitoon, Ozamis City**

**Period of Experience: December 2004 to May 2006**

**Position: Nanny**

**Duties and Responsibilities**

I took care of 2 kids, age's 4 and 6 years old boys. I prepare their breakfast, feed them, prepare their school uniform, send them to school, while they are at school I will clean the house, do laundry and everything. I will cook their food for lunch, was the dishes, do gardening, fetch them, check their notebook if they have homework, bath them, cook for their dinner, throw garbage at night. 1 year after, I beg them that I want to study for my college, thank God that he touches their heart they let me, and I study. It's very hard because of the hectic schedule. But in God's help I can take it. After 1 years and 5 months I decided to stop because I want to study the course that I want. So I transfer. But I am still a working student. It's very hard for me because I work 2 years and 5 months so I love already the children, I talk to them and they understand my situation. I'm still visiting them and they visit me also.
